

Nursery Topic Overview Autumn Term 1 2026-2027

 <i>Amazing Me</i>	Communication and Language	Physical Development	Personal, Social and Emotional Development
	Through our theme we will... • Enjoy listening to stories. • Listen to the person who is talking to us. • Understand a simple instruction • Join in with singing songs. • Talk about our families.	Through our theme we will... • Use our large muscle movements to wave flags and streamers and to paint and make marks.	Through our theme we will... • Select and use our own resources, with help if we need it. • Play with one or more of our friends.
Enrichment opportunities: Nursery Family Explorers Wednesday 7th October 11am			
Maths	Literacy	Understanding of the World	Expressive Art and Design
Through our theme we will... • Explore colours. • Compare the size of objects using gestures and language. <i>We will learn to use words like: bigger, little, smaller.</i> • Talk about and explore 2d shapes. <i>We be looking out for different shapes in our classrooms and garden.</i>	<i>Books:</i> <i>So Much; The Last Noo Noo; Family and Me</i> Through our books we will learn to... • Hold books carefully. • Carefully turn pages one at a time (sequencing pages) to enable us to read the story.	Through our theme we will... • Use all of our senses when exploring. We will use our eyes, ears, nose, hands and mouths (when it is safe). • Be watching the seasons change. • Talk to our friends and teachers about what we see. • Have fun exploring how things work.	Through our theme we will... • Join in with simple pretend play. We may be playing with our friends or small world resources • Sing along to songs. • Draw our families.
